GOVERNANCE.COM: YOUR PREMIER LOW-CODE PROCESS AUTOMATION PLATFORM

We are a specialist FinTech and leader in data governance and process automation.

Our mission is to help you redefine processes and data governance.

We are a leading FinTech for the global asset management industry.

We serve Tier 1 clients, including banks, asset managers, management companies, administrators and transfer agents.

We offer a process automation platform that:

- Uniquely integrates with complex and siloed IT architectures
- Is adaptable, intuitive, and fast-to-implement
- Builds on first-hand experience from the asset management industry and ten years of dedication to developing technology solutions

Depository Services? Fund Administration? Fund Management? Transfer Agent Services?

WE HAVE YOU COVERED!

By automating your processes, workflows, and data governance for your regulatory, compliance, and risk management operations, we enable you to:

- Save time and money
- Remain compliant and efficient
- Offer the best client experience

REDEFINE YOUR APPROACH TO DIGITALISATION:

Break projects down into bite-sized pieces, no matter the scale. Start digitalising straight away. Taste the benefits immediately.

One process at a time
